Claire Buckingham D.C., M.M.C.A

McTimoney Chiropractor

Chiropractic treatment, using the McTimoney technique, can help many problems such as headaches, stiff necks and shoulders, back pain, sciatica, painful hips and knees, tight muscles and the after effects of injuries by using light-touch adjustments to correct misalignments of the spine and pelvis.

For further information and to book an appointment, call direct on 01234 272956

Hidden Hearing Ltd

They provide a comprehensive practice based hearing care service from this surgery.

This service is provided by a Registered Hearing Aid Audiologist who can conduct a comprehensive hearing assessment. They are here at the practice every 4-5 weeks.

For an appointment ask us at our reception desk.

Dawn Moore TIDHA IFPA Aromatherapist (NEW)

As well as offering aromatherapy and Indian Head Massage to treat a wide variety of health issues, Dawn is also trained in remedial massage. Combining the use of an individually prescribed blend of essential oils to enhance the therapeutic effect, the treatment is both beneficial and enjoyable.

For further information or to book an appointment call Dawn direct on 07971190998.
